10      years will be zero, the Board shall promptly submit to each  
11      House of the Congress and to the President a report set-

13      affecting the receipts and disbursements of such Trust  
14      Fund necessary to maintain the balance ratio of such  
15      Trust Fund at not less than 20 percent, with due regard  
16      to the economic conditions which created such inadequacy  
17      in the balance ratio and the amount of time necessary to

6 the Federal Disability Insurance Trust Fund. The Board  
7 shall develop such recommendations in consultation with  
8 the National Council on Disability, taking into consider-  
9 ation the adequacy of benefits under the program, the re-  
10 lationship of such program with old age benefits under  
11 such title, and changes in the process for determining ini-  
12 tial eligibility and reviewing continued eligibility for bene-  
13 fits under such program.

14 “(2)(A) The President shall, no later than 30 days

21 of such recommendations to the Congress as the Presi-  
22 dent’s recommendations, together with a certification of  
23 the President’s adoption of such recommendations.

24 “(C) If the President disapproves the recommenda-  
25 tions of the Board, in whole or in part, the President shall

2 that disapproval. The Board shall then transmit to the  
3 Congress and the President, no later than 60 days after  
4 the date of the submission of the original report to the  
5 President, a revised list of recommendations.

6       “(D) If the President approves all of the revised rec-  
7 ommendations of the Board transmitted to the President  
8 under subparagraph (C), the President shall transmit a  
9 copy of such revised recommendations to the Congress as  
10 the President’s recommendations, together with a certifi-  
11 cation of the President’s adoption of such recommenda-  
12 tions.

13       “(E) If the President disapproves the revised rec-  
14 ommendations of the Board, in whole or in part, the Presi-  
15 dent shall transmit to the Board and the Congress the  
16 reasons for that disapproval, together with such revisions  
17 to such recommendations as the President determines are  
18 necessary to bring such recommendations within the  
19 President’s approval. The President shall transmit a copy  
20 of such recommendations, as so revised, to the Board and  
21 the Congress as the President’s recommendations, to-  
22 gether with a certification of the President’s adoption of  
23 such recommendations.

24       “(3)(A) This paragraph is enacted by Congress—

1           “(i) as an exercise of the rulemaking power of  
 2           the Senate and the House of Representatives, re-  
 3           spectively, and as such it is deemed a part of the  
 4           rules of each House, respectively, but applicable only  
 5           to the extent that it is inconsistent with such rules;  
 6           and

7           “(ii) with full recognition of the constitutional  
 8           right of either House to change the rules (so far as  
 9           relating to the procedure of that House) at any time,  
 10          in the same manner, and to the same extent as in  
 11          the case of any other rule of that House.

12          “(B) For purposes of this paragraph, the term ‘joint  
 13          resolution’ means only a joint resolution which is intro-  
 14          duced within the 10-day period beginning on the date on  
 15          which the President transmits the President’s rec-  
 16          ommendations, together with the President’s certification,  
 17          to the Congress under subparagraph (B), (D), or (E) of  
 18          paragraph (2), and—

 21          which is as follows: ‘That the Congress approves the  
 22          recommendations of the President as transmitted on  
 23          \_\_\_\_\_ pursuant to section 709(a) of the So-  
 24          cial Security Act, as follows:\_\_\_\_\_’, the  
 25          first blank space being filled in with the appropriate

1 date and the second blank space being filled in with  
2 the statutory adjustments contained in the rec-  
3 ommendations; and

4 “(iii) the title of which is as follows: ‘Joint reso-  
5 lution approving the recommendations of the Presi-  
6 dent regarding social security.’

7 “(C) A joint resolution described in subparagraph  
8 (B) that is introduced in the House of Representatives  
9 shall be referred to the Committee on Ways and Means  
10 of the House of Representatives. A joint resolution de-  
11 scribed in subparagraph (B) introduced in the Senate  
12 shall be referred to the Committee on Finance of the Sen-  
13 ate.

14 “(D) If the committee to which a joint resolution de-  
15 scribed in subparagraph (B) is referred has not reported  
16 such joint resolution (or an identical joint resolution) by  
17 the end of the 20-day period beginning on the date on  
18 which the President transmits the recommendation to the  
19 Congress under paragraph (2), such committee shall be,  
20 at the end of such period, discharged from further consid-  
21 eration of such joint resolution, and such joint resolution  
22 shall be placed on the appropriate calendar of the House  
23 involved.

24 “(E)(i) On or after the third day after the date on  
25 which the committee to which such a joint resolution is

1 referred has reported, or has been discharged (under sub-  
2 paragraph (D)) from further consideration of, such a joint  
3 resolution, it is in order (even though a previous motion  
4 to the same effect has been disagreed to) for any Member  
5 of the respective House to move to proceed to the consider-  
6 ation of the joint resolution. A Member may make the mo-  
7 tion only on the day after the calendar day on which the  
8 Member announces to the House concerned the Member's  
9 intention to make the motion, except that, in the case of  
10 the House of Representatives, the motion may be made  
11 without such prior announcement if the motion is made  
12 by direction of the committee to which the joint resolution  
13 was referred. All points of order against the joint resolu-  
14 tion (and against consideration of the joint resolution) are  
15 waived. The motion is highly privileged in the House of  
16 Representatives and is privileged in the Senate and is not  
17 debatable. The motion is not subject to amendment, or  
18 to a motion to postpone, or to a motion to proceed to the  
19 consideration of other business. A motion to reconsider the  
20 vote by which the motion is agreed to or disagreed to shall  
21 not be in order. If a motion to proceed to the consideration  
22 of the joint resolution is agreed to, the respective House  
23 shall immediately proceed to consideration of the joint res-  
24 olution without intervening motion, order, or other busi-

1 ness, and the joint resolution shall remain the unfinished  
2 business of the respective House until disposed of.

3 “(ii) Debate on the joint resolution, and on all debat-  
4 able motions and appeals in connection therewith, shall be  
5 limited to not more than 2 hours, which shall be divided  
6 equally between those favoring and those opposing the  
7 joint resolution. An amendment to the joint resolution is  
8 not in order. A motion further to limit debate is in order  
9 and not debatable. A motion to postpone, or a motion to  
10 proceed to the consideration of other business, or a motion  
11 to recommit the joint resolution is not in order. A motion  
12 to reconsider the vote by which the joint resolution is  
13 agreed to or disagreed to is not in order.

14 “(iii) Immediately following the conclusion of the de-  
15 bate on a joint resolution described in subparagraph (B)  
16 and a single quorum call at the conclusion of the debate  
17 if requested in accordance with the rules of the appro-  
18 priate House, the vote on final passage of the joint resolu-  
19 tion shall occur.

20 “(iv) Appeals from the decisions of the Chair relating  
21 to the application of the rules of the Senate or the House  
22 of Representatives, as the case may be, to the procedure  
23 relating to a joint resolution described in subparagraph  
24 (B) shall be decided without debate.

1       “(F)(i) If, before the passage by one House of a joint  
2 resolution of that House described in subparagraph (B),  
3 that House receives from the other House a joint resolu-  
4 tion described in subparagraph (B), then the following  
5 procedures shall apply:

6           “(I) The joint resolution of the other House  
7 shall not be referred to a committee and may not be  
8 considered in the House receiving it except in the  
9 case of final passage as provided in subclause (II).

10          “(II) With respect to a joint resolution de-  
11 scribed in subparagraph (B) of the House receiving  
12 the joint resolution, the procedure in that House  
13 shall be the same as if no joint resolution had been
